

Labelling Machine

PT-N10

Handheld labelling machine

Compact, lightweight easy-to-use labelling machine. Perfect for all round home organisation or getting the kids ready to go back to school, labels can be created quickly and effortlessly on-demand using the built-in keyboard.

With a range of fonts and frames to play with, symbols to spark the imagination and a variety of coloured tapes to choose from, labels can be fully personalised to suit individual taste.

PT-N10

Key features:

- Design & print labels using the built-in QWERTY keyboard
- Compact handheld design for ease of portability around the home
- Integrated LCD display for easy label editing
- Choose from 3 fonts, 10 frames and 200 symbols to customise labels
- Print 12mm Btag labels in a variety of colours
- Easy-to-use manual cutter
